GUIA DE NATURALISTAS SUDAMERICANOS, by E. Martinez F. and J. J. Parodiz. Buenos Aires, Argentina. 1949.

This interesting addition to the available directories of naturalists contains the names, addresses, and specialties of more than 1,000 naturalists of Latin America, many of them entomologists, arranged by countries and states. There is also a list of the institutions and publications in each state.

Copies may be obtained from the editors at Obligado 1555, Buenos Aires, Argentina. The advanced price was \$2.00, but the present selling price is not indicated on the published copy. (See Col. Bul., vol. 2, p. 72 for other details.)
